

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Sheryl Sue Holloway on October 14, 2008.

The application has been amended as follows:

In the Claim:

Please amend (corrected portion on **BOLD**) claim 24 as follow:

24. A storage server comprising:

means for receiving a plurality of requests from a set of client devices, each request corresponding to a storage operation to be performed by the storage server in relation to a set of storage devices;

means for maintaining a log of the requests in the storage server, the log including a separate log entry for each of the write operation requests, the log further including a separate checksum in each of the log entries, each checksum for use by a checksum algorithm in determining data integrity of the corresponding log entry;

an algorithm variable in the log to select the checksum algorithm from a plurality of selectable checksum algorithms; and

means for automatically selecting the checksum algorithm based on a predetermined criterion, wherein said means **for** automatically selecting the checksum algorithm comprises selecting the checksum algorithm dynamically by modifying the algorithm variable during operation of the storage server.
